Full job description

Your new company

Your new company is a well known and renowned construction company with a range of ongoing civil projects around Townsville. They are looking to onboard a Company Accountant into the finance team in a newly created role to assist with their rapid growth.

Your new role

Your new role as a Company Accountant will work within a small finance team and report directly to the Chief Financial Officer. Your responsibilities will include (but are not limited to):

- Month end reporting and general ledger maintenance
- Financial forecasting, year-end projections, and variance analysis of business operations
- Provide guidance and support to the company's finance support staff
- General administration and ad hoc tasks as required

What you'll need to succeed

To be successful in this position you will be a tertiary educated Accountant and possess the following characteristics:

- Exposure to construction, heavy industry, or similar commercial industry
- Experience operating MYOB or similar accounting software
- Intermediate MS Excel skills
- Strong commercial acumen and people management skills
- CA or CPA qualification preferred but not essential

What you'll get in return

In return for your hard work, you will be provided with:

- Attractive remuneration package
- Monday to Friday, standard business hours
- Opportunity to work for a local premier construction company
- Mentorship by an experienced CPA finance executive
- Free on-site parking
