An example of just one of the relevant roles that we are actively currently recruiting:

- To provide and develop in liaison with the Finance Managers and the Assistant Directors of Finance a comprehensive, timely and accurate financial and management information service to the Directorates including -a) financial reports,
 - b) Budgetary control statements incorporating activity information, workforce information, variance analysis and trend/out turn analysis.
 - c) early warning systems on resource usage and maintenance of a forecast.
 - d) Identification and measurement of cost improvement / Income generation opportunities.
 - e) Financial Support for Business Cases and procurement processes occurring from time to time.
 - f) Maintenance of systems of internal control, for example vacancy control as directed by the Assistant Director of Finance.- To contribute to the month-end process as directed by the Finance Managers and the Assistant Directors of Finance.
- To supervise one or more Financial Management Accountants during the month-end process and beyond, under the leadership of the Finance Manager. To assist with staff development of the Financial Management Accountant(s).
 - To liaise with budget holders / operational managers and the Income Accountant to ensure that all directorate income associated with services provided by the Trust is recorded and invoiced accurately and in a timely manner.
 - To prepare consolidated financial reports for both corporate and divisional reporting purposes.
 - To meet regularly with budget holders to discuss financial and other performance issues, including inter-disciplinary / departmental meetings. To engender and maintain a business partner relationship with budget-holders and enhance the overall quality and profile of the finance service to external users.
 - To support, for the areas of responsibility, the annual budget-setting process according to the timetable and format agreed by the Director of Finance, including the reconciliation of recurrent and non-recurrent baseline budgets and expenditure. To maintain an audit trail and accurate working papers relating to the annual budgetary proposal.

The Successful Applicant

You will:

- Be a Chartered accountant (we also have a team who looks after part-qualified roles, so please do submit your CV if you're still in the process of

qualifying, or qualified by experience)

- Have confirmed travel plans and working rights, arriving in London in the next few weeks
