Full job description

Polycell International is a well-established, privately owned packaging manufacturer with offices located across Australia and New Zealand. We specialize in the production of bubblewrap and closed-cell foam products, along with a vast array of derivatives thereof.

An opportunity currently exists for a **Clerical Office Assistant** individual to join our passionate team located in **Welshpool, WA**.

The successful applicant must be fluent in English & Mandarin and possess excellent telephone and face-to-face communication skills. Computer literacy skills are essential for this role.

Additionally, due to our business relationships with South East Asia, the ability to converse in one of these dialects will be advantageous.

Duties & responsibilities include, but are not limited to:

- Processing staff times and attendance records
- Events organizing
- General clerical tasks
- Managing local and interstate transport for pick-up and deliveries
