Full job description

Your new company

Be apart of an award winning company of highly respected with a team of Speech Pathologists and Occupational Therapists that prides itself on its' passion, innovation and amazing team culture. They believe in delivering the best client experience possible, and this starts with the team. We do all we can to support, nurture and shape you to become the best version of yourself, clinically, personally and professionally, and to make sure that you feel fulfilled in your role.

Your new role

As a Paediatric Occupational Therapist you will be working to diagnose, evaluate and manage conditions of clients from the ages of 0-18. You will then create treatment plans and work with families to implement these in to day to day life. Your new role will consist of 5 hours a day for clients and 13 hours a week for other tasks and preparation.

What you'll need to succeed

In order to succeed in this role you will need:

- A tertiary qualification in Occupational Therapy
- Current AHPRA registration
- Paediatric caseload experience
- Be a driven and motivated person who enjoys a challenge
- Enjoy working in a team environment

What you'll get in return

You will be working within a company that has as focus on personal development and offers opportunities for career progression. There is an attractive salary package with performance based rewards offered after 12 months with the company. We believe in rewarding you for your hard work and dedication to your profession. Remuneration occurs at an above award rate.
