Full job description

Your new company

Your new company is a tier 1 mining house that has multiple mine sites across Australia. This industry leader provides the opportunity for their finance team to continue to further their career with ample professional development opportunities and internal promotion options.

Your new role

The on-site Mine Accountant operates within a small finance team and reports directly to the Finance Manager to support the daily accounting functions. On a day-to-day basis, your responsibilities will include (but are not limited to):

- Assisting with monthly financial and non-financial reporting
- General ledger reconciliations
- Preparation of business activity statements

- Assisting with preparation of the annual budget
- Collating of data for variance analysis
- Assisting with forecasts

What you'll need to succeed

To be successful for this position you will be a tertiary qualified accountant and demonstrate the following skills and attributes:

- Experience in a mining, commercial or public practice accounting role
- Proficiency in MS Excel
- Ability to relocate and live on site
- Exposure to large ERP systems
- CA or CPA qualifications preferred, but not essential

What you'll get in return

In return you will work for a well-established mining organisation in a role that is highly visible to leaders within the organisation. You will be provided with:

- Competitive remuneration and expense benefits
- Relocation assistance
- Accommodation allowance
- Performance bonus incentives
- Monday to Friday roster

What you need to do now
